APPOINTED EXAMINER
GEO. OPPERMAN KILLED
Bowling Green Lady on Board of County Examiners.
By Being Struck on the Head With a Chair.

Mrs. Belle G. Yonker has been appointed a member of the board of county school examiners by Probate Judge Lincoln, to succeed H. E. Hall, whose term has expired.

Mrs. Yonker is principal of the Liberty township high school and is one of the most efficient instructors in Wood county.

Mrs. Yonker is the first to receive an appointment of this kind in Wood county since Mrs. Esther Barton, at one time principal of the schools in this city held a position on the examining board.

Mrs. Yonker is one of the most highly educated ladies in the county and, without doubt, will be a very efficient member of the board.

The appointment is worthily bestowed.

George Opperman, 19, residing north of Bowling Green, west of the Bend died at five o'clock Thursday evening from the effects of a blow over the head delivered by a man said to be Edward Green on Wednesday evening.

Opperman, Floyd Armitage and George McKenzie went into "Mollie Shean's place, 48 South St. Clair street, Toledo, and ordered sandwiches, a temporary counter having been fixed up in the place for the week on which to serve lunches.

The boys who were with Opperman, state that Opperman laid down a dollar and received in return 75 cents. He said that he was not accustomed to paying that price for sandwiches whereat Green is said to have replied that he would pay that

COURT HOUSE CULLINGS
September Term of Court Will Open September 14.

The September term of Common Pleas Court will open on Monday, September 14, 1908, with Judge Fries on the Bench.

The Grand Jury will commence their labors on the 14th, and the Petit Jury will be called on the 21st.

There is a heavy docket for this term.

An answer has been filed by A. L. Oldham in the divorce suit by Mary E. Oldham vs. A. L. Oldham. Mr. Oldham admits that he is the owner of property worth in all about twelve thousand dollars, placing a lower estimate upon it than did Mrs. Oldham.

He states that Mrs. Oldham was for years afflicted with chronic jealousy and that she was constantly nagging him and accusing him of improper relations with other women, among them eight reputable women, all members of the church of which he was a member. He says that she knew when she was making these charges that they were not true.

He says that he has been providing for his family to the best of his ability and desires so to do. He wants an injunction dissolved restraining him from disposing of any of his property.

At a hearing on alimony and injunction before Judge Duncan Thursday, the injunction was modified so as to include his realty, some bank stock and railroad stock. The judge ordered that he pay one hundred dollars alimony and forty dollars per month pending hearing of the case. Oldham testified that he had been paying his wife from forty to fifty dollars a month and that he was willing to continue.

A damage suit for \$10,000 has been filed against the Toledo, Fostoria & Findlay Railway company by W. B. Gregg, administrator of the estate of Clarence Scheel, deceased. The suit is the result of the killing of Clarence Scheel by a T. F. & F. car at Bradner on August 16th. The plaintiff is represented by James & Kelly of Bowling Green.

DURING THE FAIR

Bowling Green Cars Will All Stop at Fort Meigs.

Supt. W. L. Smith informs THE JOURNAL that during Fair week all cars on the Bowling Green line will stop for passengers at the station on Ft. Meigs and thus avoid the transfer of passengers at Eckel Junction. He also states that cars will be run every 15 minutes to accommodate the crowds every day during Fair week.

Supt. Smith rendered heroic service in caring for the thousands of people during G. A. R. Encampment and he has much praise for his successful efforts to accommodate the people. Smith is all right.

INJURED WHILE PLAYING.

Gilbert Ickes, the little son of Wm Ickes, broke both bones in his arm while at play on last Saturday, says the Cygnet Review. Gilbert, in company with a number of other boys of like age, was playing upon the lawn in front of H. C. Ahl's residence. The boys had rigged up a rope over a limb of a tree and one after another of the boys were pulled up among the branches by their companions. When Gilbert Ickes was high in the air his hold became loosened in some way and he fell to the ground, falling on his arm.

LEG FRACTURED.

Bewildered by two street cars approaching her from opposite directions, Miss Frances Rounds, of Luckey, O., ran into a team at Superior and Cherry streets last Friday afternoon and was thrown to the pavement, fracturing the left leg below the knee, says the Toledo Blade. She was taken to Toledo hospital and attended by Surgeon Briggs.

Harsh physics react, weaken the bowels, cause chronic constipation. Doan's Regulents operate easily, tone the stomach, cure constipation. 25c. Ask your druggist for them.

SENATOR FORAKER

Speaks in Strong Terms of His Party Allegiance.

"I hope that you will pardon my saying it, at the first opportunity which I have had for saying it, that so far as I am concerned there never has been the slightest ill-feeling between myself and Judge Taft."

"And if there had been you could not lose me that way. I feel that if there is anything I have the right to claim, it is that I am a Republican—365 days in the year. I am a Republican in every campaign."

"I may have my preferences sometimes as to who shall be the choice of the party for the presidency, and generally everybody finds out what they are. But I am one of those old-fashioned, flat-footed Republicans who believes in settling everything at the convention."

"When the convention at Chicago named Judge Taft as the Republican candidate for president, that instant he became my leader. He has been my leader ever since, and will be until the polls are closed."—Senator Joseph B. Foraker at Toledo.

TO EXHIBITORS

The Secretary asks that all who intend to make exhibits at the coming fair, make out their lists of exhibits and forward to him as soon as possible. This will enable him to get his work well in hand before the rush begins. It will avoid delays in entering and will be an advantage to all concerned. A good way to do this is, to put a cross opposite the article on the left side of the numbers intended to be entered, tear out the leaves of the premium list containing these marks and sign your name plainly then forward to R. S. Sweet, Sec'y, Bowling Green, Ohio.

WOOD COUNTY FAIR

BOWLING GREEN, O.,
SEPT. 28, 29, 30 OCT. 1 & 2.

PECULIAR ACCIDENT.

Harrison Fernbaugh, of Rising Sun, met with quite a severe accident on Saturday morning. The young man had left home on that morning with a load of oats for the Longley elevator. The roof of the driveway of the elevator is low, and when young Fernbaugh attempted to drive in, seated upon the top of the load, he was caught between the roof and the grain sacks and his back was severely wrenched. It was thought at the time that his back was broken and that he would not survive the shock, but he is now improving.

DROWNED IN QUARRY.

The lime kiln quarry north of Portage, claimed a victim by drowning Sunday afternoon in the person of Floyd Fox, son of A. Fox of Bowling Green. He had gone to the quarry for a swim, and evidently got beyond his depth. A diver was secured from Toledo, but the body was not recovered until the afternoon of the next day. The lad was 15 years of age.

FOOT BALL NOTICE.

All candidates desirous of trying out for positions on the Perrysburg foot ball team, will please report at Geo. J. Rossback's cigar shop on Monday evening, Sept. 14, at 7:30 o'clock.

Those beautiful colored post cards of Perrysburg scenes which we had printed in Germany, are remarkably fine. They are works of art executed by Berlin artists. They sell at 2 for 5 cents, and can be secured ONLY AT THE JOURNAL OFFICE.

DROWNED IN CANAL

Inmate of State Hospital Ends His Life.

A body, supposed to be that of Jacob Mertze, 35, a "privilege" at the state hospital, was found in the canal at Maumee Wednesday afternoon about 3 o'clock said Thursday's Toledo Times. Mertze was marked missing at the hospital Tuesday, but since he was allowed to come and go as he pleased, the authorities thought that he had gone to attend the unveiling of the monument at Fort Meigs.

Mertze was committed from Wood county in 1898, and pronounced cured a year later. He began work in the kitchen and remained there until last February, when he was again committed to the hospital. He was again released in May and given privileges. Mertze has no relatives living in this country, but has a brother in Switzerland.

There were no bruises or signs of violence on the body and the coroner is of the opinion that the man committed suicide.

RESOLUTIONS ADOPTED

By the Board of Directors of The Citizens Banking Company.

At the regular meeting of the Directors of the old bank on Tuesday, Mr. Hollenbeck introduced and the Board unanimously adopted the following resolutions:

Whereas, an All Wise Providence has, after permitting him to enjoy a long life of more than four score years, of labor, honor and usefulness, removed by death, from our citizenship and from this Board, our fellow townsman and Co-adjutor, John Perrin, and

Whereas, he had ever since the organization of this bank in 1892 remained continuously a member of its Board of Directors, up to the time of his death, and

Whereas, during all the time of his service on this Board he, in his candid, manly, just, considerate and modest way, freely gave to it his best counsel and judgment, by which, in part, at least, this Company has been enabled to reap the benefits resulting from an orderly, judicious and systematic administration of its affairs:

Therefore, Be It Resolved—By the surviving members of this Board:

That in his death this Company has lost one of its best and staunchest friends—one for whose valuable assistance and advice we shall feel the loss, and one in whose character was combined an evenness of temper, soundness of judgment and rectitude of intention, to an eminent degree, and to a degree worthy of our emulation.

That we desire to place on record this evidence of our profound respect and affectionate regard for him, our gratitude for his services and reverence for his memory.

"Mark the perfect man and behold the upright; for the end of that man is peace."

After the adoption of the Resolutions the matter of choosing a successor on the Board to Mr. Perrin was taken up, and resulted in the unanimous election of Mr. William Comstock, a large stockholder in the bank, to fill the position.

INFERNAL MACHINE

Three Men Injured by the Terrific Explosion.

George Killyen, his son and a visitor, found a percussion cap near their place Tuesday along the track of the traction line, says the Tontogany Times. Not knowing what it was they touched a lighted match to it and a terrific explosion occurred immediately. The right hand of Mr. Killyen was badly lacerated by the force and his left arm had the appearance of being filled with bird shot! A number of minor wounds were also made on his face and chest. His visitor received a bad cut on the cheek and several scratches on his body. Mr. Killyen's son received several scratches on his hand and was burned. What they found resembled a common firecracker and they lit it to discover if the blamed thing would shoot. They say they are satisfied that it was an infernal machine instead of a percussion cap. It is not thought that any of the wounds will prove serious.

WOOD COUNTY FAIR

Recent Improvements Will Make it Better Than Ever.

The Fair promises to be the best held in Wood county since its organization. The board of directors is doing everything in its power to make it the biggest and best ever held in Wood county. The grounds are being put in fine shape; new buildings are being built and general improvements made that will add to the beauty and convenience of their patrons. A new secretary's office is nearly completed at the main entrance for the convenience of those who desire to see the secretary before entering the grounds. There promises to be more exhibits in every department this year than ever before. The ladies of the W. C. T. U. are building a beautiful rest room on the grounds, where tired people can find a place of quiet to rest. The outlook was never better for a big exhibit of everything from live stock to fruit. Don't forget the dates, Sept. 28 to Oct. 2, inclusive.

MAUMEE MAN HONORED

Rev. Michaelis Appointed to Chair in Cleveland Seminary.

The Rev. John P. Michaelis, pastor of St. Joseph's church at Maumee, has been appointed professor of moral theology at St. Mary's seminary, Cleveland.

Father Michaelis will begin his duties at the seminary next Monday.

The appointment of Father Michaelis to a professorship in a seminary of such standing as St. Mary's is a distinct honor to one of the younger men of the diocese. He is 38 years old and was ordained to the priesthood fourteen years ago, after completing his studies in St. Mary's to which he goes now as professor.

He was appointed after his ordination to Shelby, O., and was five years later appointed a member of the apostolate of the Cleveland diocese. He was engaged in the apostolate work four years and was then appointed to the charge at Maumee. While pastor of St. Joseph's he was also professor of philosophy at St. John's college for two years, and for three years has been the editor of the Toledo Record. During his pastorate at Maumee Father Michaelis took an active interest in civic affairs, and joined the movement for the regulation of saloons and for a better observance of the Sabbath. He was also interested in the Maumee Valley Pioneer and Historical society, of which he was a member, and was chosen by them to deliver the invocation at the dedication of the Fort Meigs monument last week.—Toledo Blade.
